

Helping All Children Grow, Learn and Thrive

PO Box 50593, Columbia, SC 29250 | LimitlessPurpose.org

Have or know a child or teen with an intellectual or developmental disability?

Limitless Purpose is pleased to announce the availability of funding to support these children with inclusive summer activities, including but not limited to: Programs that reinforce critical learning skills such as reading and math; summer camp and other recreational experiences; and extended learning opportunities.

The Incentive Awards can be used to assist with tuition or registration costs for inclusive learning opportunities, summer camps or recreational programs and group activities.

Interested families should complete the attached application and return **by February 29, 2024** by emailing to contact@limitlesspurpose.org or mailing to Limitless Purpose, PO Box 50593, Columbia, SC 29250.

Please include a link to the camp/activity website or brochure with a description of your child's planned activity. Limitless Purpose will issue incentive award payments directly to the providers; we are not able to supplement costs of personal care needed for the child to participate.

Note:

- *Award decisions by Limitless Purpose are final.*
- *Limitless Purpose does not endorse any camp or activity. Parents must research camps and activities and make the best decisions for their children. Limitless Purpose assumes no responsibility for staffing or supervision at any activity or services provided.*
- *Limitless Purpose will ask recipient families to complete a survey and share photos if at all possible.*

Limitless Learner Incentive Awards Timeline for the Summer 2024 Cycle:

- Applications for the Summer 2024 cycle are due by **February 29, 2024**.
- Awards decisions made and all families will be notified by **April 1, 2024**.

About Limitless Purpose:

Limitless Purpose is a charitable organization established in September 2019 to provide opportunities and resources for children that help them continue to grow, learn and overcome any challenges so they can reach their limitless potential in life.

Knowing that all children learn and develop differently, it's proven that any child benefits from opportunities that reinforce academic skills but are provided outside a typical classroom. This is particularly true for children with special healthcare needs, disabilities, and socioeconomic disadvantages.

These Limitless Learner Incentive Awards are funded through individual and corporate donations.
